Hello Artisans, Craftsfolk, Collectors, and More!

Thank you for your interest in our Harvest-season, holidays are almost in the air, event. With a beautiful building such as the 1842 2nd Meeting House, it seems the obvious location to showcase some of the local Bethel, Danbury, Newtown and beyond talent and to invite all of the neighbors out so they can share in the festivities.

Our event is taking place on Saturday October 5th, 2013 from 10:00am until 4:00pm. This will be an intimate show - with a maximum of twenty vendor spaces available. Load-in will begin at 8:30am (to make for a non-frantic move-in).

We are providing tables and chairs (although no tablecovers - please bring your own) - so all you will need to do is bring your items and decorations - which makes for a lovely and easy setup.

Electricity is available via extension cords with a small additional fee.

We are looking for a good variety of wares for this event - from the antique to crafts to the handmade to the vintage and repurposed. As the beginning of October is starting to reach the holiday season, it is a fine time to catch the early shoppers.

We are a juried event, if only because our space is limited and we'd like to give vendors of one niche or another the space to be focused upon. This isn't to say there won't be overlap, but we'll do our best to create a kaleidoscopic atmosphere.

For more information and to answer any questions, please contact:
Pat Rist (info@bethelhistoricalsociety.com or 203-743-5893) or
Marc Moorash (acelebrationofneatstuff@gmail.com or 832-515-9539)

We look forward to seeing you in October!
